***<u>Friends of Art Bookshop</u>**

Established in 1968, The Friends of Art Bookshop maintains an extensive line of art books in all fields of interest and a wide variety of cards, posters, jewelry, and other gift items. Profits from the Bookshop are used to fund scholarships for students in the Indiana University School of Fine Arts.

Prices are set by the publishers and are subject to change. Prices listed first are for new copies (N), second for used copies (U) (if available, used copies are 25% less than new); Friends of Art members receive 10% off all textbooks, new or used. Although every effort is made to ensure that text information is correct, Friends of Art Bookshop cannot be responsible for data entry errors, publisher price increases, or faculty textbook changes.
