**Twentieth Annual Meeting
Association for Practical and Professional Ethics
RCREC Seminar**

Thursday, March 3, 2011

RCREC Seminar, “The Challenge of Research Ethics Education in the University Setting: A Response to NIH and NSF Requirements”

The Association for Practical and Professional Ethics’ Responsible Conduct of Research Educational Committee, (RCREC), in response to new research ethics education guidelines from NSF and NIH, will sponsor a seminar on the challenge of research ethics education in conjunction with the Association’s Annual Meeting. The aim of this seminar is to bring together the Association’s RCREC committee members; RCREC institutional members; Ethics Center members of the Association; former participants of the Association’s NSF funded Graduate Research Ethics Education program and representatives of the Ethics Across the Curriculum Movement to consider how all can more effectively collaborate on college and university campuses to meet the new research ethics guidelines proposed by NIH and NSF.

Convenors:

Brian Schrag, Executive Director, Association for Practical and Professional Ethics

James Dubois, Chair, RCREC

Stephanie J. Bird, Committee Member, RCREC
