Sustainable Bolivia

Sustainable Bolivia is a non-profit organization with its main office in Cochabamba, Bolivia. With projects in the Andean highlands, our primary objective is to provide Bolivian organizations much needed human and financial resources while providing international students and professionals the opportunity to gain practical work experience through internships and volunteer opportunities in Bolivia. By working closely with local people, volunteers and interns can contribute in a range of areas such as education, health, the environment, microfinance, women's empowerment, and much more. Sustainable Bolivia also offers Spanish and Quechua classes at its Language School.
