

Indiana University Bloomington, Classroom Evaluation Form

In an effort to improve the quality of general purpose classrooms, the Classroom Committee asks that you take a moment and evaluate several features of the classrooms in which you usually teach. Please be sure to indicate the Building and Room Number for each classroom you evaluate. Feel free to duplicate this form as necessary. Thank you in advance for your time and effort.

Sonja Johnson and Gary Kent
Co-chairs, Classroom Committee

EVALUATION CRITERIA

- 5 = Excellent
- 4 = High Average
- 3 = Average
- 2 = Low Average
- 1 = Very Poor
