### Education

University of California, San Diego, Ph.D., 2001 Neurosciences.  
University of Washington, BS, 1997, Biochemistry.

### Positions and Employment

2002	Postdoctoral Fellow, Salk Institute, La Jolla, CA
2002-2006	Postdoctoral Fellow, University of Washington, Seattle, WA
2007-present	Associate Scientist, Indiana University, Bloomington, IN

### Current Research Support

2011-2013	R21 NEI – EY021831. GPR119: A novel means to lower intraocular pressure?
-----------	--

### Completed Research Support

2007-2010	R21 NIDA - DA029122. Identification and characterization of two novel cannabinoid receptors.
1998-2001	National Research Service Award – predoctoral. NIDA – DA09508. A Cannabinoid Signaling System in the Vertebrate Retina.

### Other Experience and Professional Memberships

2005-present	Member, Society for Neuroscience
2007-present	Member, International Cannabinoid Research Society
2010-present	Member, Association for Research on Vision and Ophthalmology

*Ad hoc journal referee: Journal of Neuroscience, Neuropharmacology, Journal of Comparative Neurology, Journal of Neurophysiology, Molecular Pharmacology, British Journal of Pharmacology, Investigative Ophthalmology and Visual Science, Visual Neuroscience.*
