GREAT UNIVERSITIES

Staff Merit Awards
2011

In honor of
INDIANA UNIVERSITY STAFF
who have provided
exceptional service
on behalf of the University

INDIANA UNIVERSITY
BLOOMINGTON
Staff Merit Awards

The Bloomington campus is a unique and wonderful place. Its historic buildings, collegial and scholarly atmosphere, and natural beauty remind us that this is the perfect setting for contemplating life's greatest questions and mysteries and for advancing human knowledge.

The qualities that make Indiana University Bloomington an ideal place for study, reflection, and problem-solving are reinforced and enhanced by the efforts of more than 5,000 outstanding staff members. They help keep our campus beautiful, safe, comfortable, and productive. They expertly assist and support faculty, students and visitors. Their work is vital to the successful operation of the university and I have been continually impressed by and grateful for their efforts.

I offer heartfelt congratulations to the six staff members whose dedication and service we celebrate today.

I also extend sincere thanks to the many members of the staff who have helped to make my thirty-five years at Indiana University memorable and special.

Karen Hanson
Provost and Executive Vice President
