An exciting, worldwide, hands-on education and science program

Videoconferencing in the Classroom www.global-leap.com

The project has received funding from the Department of Education and Skills (DfES), working in association with ICTIS, BECTa, the British Council, the Special Schools Trust and other Educators around the world.
The project does not represent any resellers of videoconferencing equipment.

global nomads group
fostering dialogue and understanding among the world's youth.
