

# INDIANA UNIVERSITY BLOOMINGTON

Apply Online: [www.admit.indiana.edu](http://www.admit.indiana.edu)

## 2012–13 Transfer Application for Admission

This packet includes the application for admission, instructions for filling it out, and other important details.  
Your checklist and priority dates are also included.

# Thank you for your interest in Indiana University. Each year, we welcome more than 1,000 students to IU who began their college studies elsewhere. Transfer admission is selective, and each application is reviewed for its individual merits.

## For Questions or Additional Information

- Visit [www.admit.indiana.edu](http://www.admit.indiana.edu)
- Call (812) 855-0661
- E-mail [iuadmit@indiana.edu](mailto:iuadmit@indiana.edu)

## Choose the Appropriate Application

This is the **Transfer Application for Admission**. It is for students who wish to transfer to IU Bloomington from another college or university and for students who have already completed an undergraduate degree at another institution and wish to earn a second undergraduate degree from IU. All students are encouraged to apply online.

Students who wish to transfer to IU Bloomington from another IU campus should complete the IU Bloomington **Intercampus Transfer Application**. It is available on the IU Bloomington Intercampus Transfer Web site at [www.admit.indiana.edu/apply/transfer/intercampus/](http://www.admit.indiana.edu/apply/transfer/intercampus/).

**Freshman students** (those who are still in high school, who have not attended college since graduating from high school, or who have fewer than 12 hours of college credit) must complete the **Freshman Application for Admission**. It is available for completion or download at [www.admit.indiana.edu](http://www.admit.indiana.edu).

**International students** (students who are not U.S. citizens or permanent residents) must complete either the **International Freshman Application for Admission** or the **International Transfer Application for Admission**. They are available for completion or download at [ois.indiana.edu/admissions.php](http://ois.indiana.edu/admissions.php). International students are encouraged to apply online.

## Admission Standards for Transfer Students

Detailed transfer admission standards are available online at [www.admit.indiana.edu](http://www.admit.indiana.edu). Following are general admission requirements for transfer applicants; most admitted students exceed these standards.

### College/University Record

In reviewing transfer applications, we pay particular attention to grade trends, your cumulative and recent-term grade point averages, and the breadth and depth of your previous college program. It is also important that you have maintained good standing with your previous institution.

**Grade Trends.** Prospective transfer students are given more serious consideration if their grades have been consistently above average or steadily improving in a challenging academic program. Conversely, declining grades, grades below C in the most recent term, and a less demanding academic program are often factors that make an application less competitive and thus are reasons to deny admission. In some cases, we will ask to see final grades for your current course work before making an admission decision. If this is true for your fall semester, we will not be able to fully review your complete application (including the final fall transcript) before the start of IU's spring semester. We will gladly consider you for a later entry date.

**Grade Point Average.** Indiana residents should have a minimum college grade point average (GPA) of 2.0 on a 4.0 scale before applying to IU (nonresidents should have a minimum of 2.5). Because of the competitive nature of recent applicant pools, very few students are admitted with a GPA below 2.5. No GPA in itself will guarantee admission.

### High School Record

Your high school transcript will be reviewed as part of the admission decision if you have completed fewer than 26 semester hours (or 39 quarter hours) of college course work. In general, if your high school record does not meet IU's freshman admission standards, you will not be considered for admission as a transfer student until you have completed at least 26 semester hours (or 39 quarter hours) of transferable academic work at another institution.

### Transfer of Credit

Students generally receive transfer credit for any course from an accredited institution that corresponds to one in our curriculum (in content and credit value). When you are admitted to IU, we will evaluate your transcript(s). You will be sent instructions on how to check your online credit transfer report.

#### A few important notes about transfer credit:

- Only courses in which you received a C or higher will transfer.
- Transfer credit may count toward your degree at IU, but it will not count toward your GPA at IU.
- Individual schools and departments at IU determine how transferred credits will apply toward your degree requirements.
- Courses for which IU does not have an equivalent offering can sometimes be transferred as undistributed credits.
- We can apply up to two years (60 semester hours or 90 quarter hours) of transferred credits from a junior or community college toward your IU degree requirements.
- Veterans may earn college credit for educational experiences in the armed services. Submit your certified DD Form 295, DD Form 214, and/or transcript from either the Army/American Council on Education Registry Transcript System (AARTS) or the Sailor/Marine American Council on Education Registry Transcript System (SMARTS) with your application. Any additional, relevant military transcripts should also accompany your application.

**Visit our online Credit Transfer Service at [cts.admissions.indiana.edu](http://cts.admissions.indiana.edu) for more details on transferring credit to IU.**

### Financial Aid

In order to be considered for need-based financial aid, please submit the Free Application for Federal Student Aid (FAFSA) as soon after January 1 as possible and before the March 10 deadline. Because some aid programs are awarded on a first-come, first-served basis, an early application receives priority consideration for limited funding sources. FAFSA forms are available at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Be sure to list IU's institutional code, **001809**, to ensure our Office of Student Financial Assistance receives your information.

## Majors and Major Codes

Item 16 on the application asks you to indicate your intended major and major code, drawing from the following list.

### Exploratory: Two Options

Many students come to IU wanting to explore their options for a major. If you are undecided about a specific major, choose “Exploratory (general)” and the code “EXPLRPR.” If you know you would like to study in the College of Arts and Sciences but are undecided about a specific major, choose “Exploratory (College)” and the code “EXPLCOBAPR.”

### Prospective Music Majors: Additional Instructions

If you are a music applicant and need to complete this paper application, you will also need to submit music-specific information. Please contact the Jacobs School of Music Admissions Office at (812) 855-7998 for instructions. It is highly recommended that you apply to the Jacobs School of Music using the online application for freshman admission. Visit [www.music.indiana.edu](http://www.music.indiana.edu) for more information.

### Your Future Goals: Professional School

If your future goals include professional school (medicine, law, dentistry, optometry, physical therapy, occupational therapy, etc.), indicate your intended major and professional school interest in item 16.

## Choosing Your Major: Don't Worry!

Choosing your college major is one of the most exciting and important decisions you'll make. Don't worry about making the right choice on this application. The major you choose on this application indicates what you intend to major in and serves as a guide for your initial course of study. If you are admitted to IU, you will not be bound to this choice. In some cases, your choice of major doesn't guarantee your placement in the major program you selected. If you are admitted to IU, our academic advisors will help you select and refine your major, minors, and certificates—ensuring the academic course that is best for you.

### Bachelor of Social Work Degree

Social Work <sup>2</sup>	SWKBSWPR
Labor Studies	LSTUBBSPR

<sup>1</sup> Students must apply for and be accepted to this program.

<sup>2</sup> Students must apply for and be accepted to this program after completing prerequisite courses.

<sup>3</sup> Students in these programs must have higher GPAs than in other HPER programs.

<sup>4</sup> Only preprofessional courses can be taken on this campus.

<sup>5</sup> Students should list an intended major in Theatre and Drama, THTRBAPR.

# Indiana University Bloomington

## 2012–13 Transfer Application for Admission

Office of Admissions 300 N. Jordan Avenue Bloomington, IN 47405-1106 (812) 855-0661 [www.admit.indiana.edu](http://www.admit.indiana.edu)

**We encourage you to apply online at [www.admit.indiana.edu](http://www.admit.indiana.edu). If you prefer to use this paper application, please type or print clearly, and return it with a \$55 check or money order payable to Indiana University. Apply online *OR* on paper, not both.**

### Application Instructions

Please read these important instructions before completing the application.

#### Application Fee

We require an application fee of \$55 for U.S. citizens and permanent residents. The application fee is nonrefundable and cannot be applied toward any other bill or fee. Your check or money order should be payable to **Indiana University**, and it should clearly indicate your full name and Social Security number (or IU identification number, if applicable). We cannot accept cash. Payment by check authorizes Indiana University to make a one-time electronic withdrawal from your account in the amount indicated on your check. This transaction will occur within 24 hours of receipt, and no cancelled checks will be returned. Your financial institution will receive a copy of your check for payment if your account cannot be processed electronically. A third party submitting a check on your behalf is considered your agent; you are responsible for providing your agent with these disclosures. For more information on this and other payment options, or if you do not wish to have your check processed electronically, call (812) 855-0661 to speak with an admissions representative.

#### Official Transcript(s)

We require an official transcript from each college or university you have attended. Arrange for your official transcript(s) to be sent directly to IU at the time of application. High school transcripts are required for applicants who have completed fewer than 26 semester hours (or 39 quarter hours) of college course work. Please ask your high school to send your official transcript directly to IU. If you attended a non-U.S.-style school, submit official copies of your secondary school record.

#### Social Security Number (application item 3)

The disclosure of your Social Security number is optional. If you wish to be considered for any form of state or federal financial aid, you are required to provide us with your Social Security number, so it would be to your advantage to provide it now. If you do not wish to disclose your Social Security number, you do not need to provide it. The priority date for financial aid consideration is March 1, 2011, and students providing Social Security numbers after that date will be considered for financial aid based on the availability of funds. An alternative IU identification number will be assigned regardless of whether you provide your Social Security number.

#### Ethnicity (application item 7)

Ethnic information is gathered in compliance with the definitions and procedures included in the 1997 revision of the OMB Statistical Policy Directive No. 15 and the U.S. Department of Education Final Guidance on Maintaining, Collecting, and Reporting Racial and Ethnic Data to the Department of Education (Federal Register, Vol. 72, No. 202, 10/19/2008). This information will not be used in determining your admissibility to Indiana University.

#### E-mail (application item 8)

Because we use e-mail to communicate with applicants, please give us an e-mail address where we can reach you throughout the year. Log in to [onestart.iu.edu](http://onestart.iu.edu), and click on "Self-Service" to update your contact information. Decision notifications will be sent to all transfer applicants via e-mail.

#### Residency (application item 22)

Initial residency classification (for tuition purposes) is determined by the information you provide on the application. In general, U.S. citizens or permanent residents who are 22 years of age are eligible for resident student status after they have been physically present in Indiana for at least 12 months without the predominant purpose of higher education. Students who are under 22 years of age are eligible for resident student status if their parents or legal guardians reside in Indiana. Documentation of legal guardianship is required. Visit [registrar.indiana.edu](http://registrar.indiana.edu) for residency information.

### Background Information

1. **Name** \_\_\_\_\_  
 Last First Middle

2. **Other name(s) by which your records can be identified, if any:** \_\_\_\_\_

Street \_\_\_\_\_ City in Indiana \_\_\_\_\_ Zip \_\_\_\_\_

Phone ( \_\_\_\_\_ ) \_\_\_\_\_

23. Criminal Activity Disclosure (required)

We are committed to maintaining a safe learning environment. As part of that commitment, we require applicants who have been charged with or convicted of a misdemeanor or felony, or who have engaged in behavior that resulted in mental or physical injury to person(s) or personal property (including, for example, but not limited to, behavior that led to a restraining order against you), to disclose that information. A previous conviction or previous conduct of the sort identified here would not automatically preclude admission to IU but does require review. You must provide a brief explanation, including location (city, state, and country) of conviction or problematic conduct, along with dates and court disposition. This information must be provided in English. Your signature on this application gives Indiana University permission to access pertinent criminal records.

Have you ever been charged with or convicted of a misdemeanor or felony? Have you engaged in behavior that resulted in mental or physical injury to person(s) or personal property? (required)  Yes  No

If yes to either question, please attach the documentation specified in the paragraph above. Additional information may be requested and additional time may be required to review this information.

If additional legal charges or injurious behaviors as described above occur prior to matriculation at IU, you must provide updated information to the C.A.D. Committee, Office of Admissions, 300 N. Jordan Avenue, Bloomington, IN 47405, before attending classes. The committee must review the new information prior to your matriculation at IU.

### Applicant Signature (required)

I certify that the information provided in my application is complete and accurate. I authorize the Office of Admissions to make reasonable inquiry if any doubt should arise, and I understand that falsifying or withholding information in completing this application constitutes grounds for immediate withdrawal of my application from further consideration, as well as cancellation of admission or registration.

Signature \_\_\_\_\_ Date \_\_\_\_\_

<sup>1</sup> Refer to "Social Security Number" in the "Application Instructions" section of this application.

<sup>2</sup> Refer to "Ethnicity" in the "Application Instructions" section of this application.

<sup>3</sup> Refer to "E-mail" in the "Application Instructions" section of this application.

<sup>4</sup> Refer to the "Majors and Major Codes" list on page 2 of this packet.

<sup>5</sup> Refer to "Residency" in the "Application Instructions" section of this application.

## Transfer Application Checklist

- Review Admission Standards.** Review our transfer admission standards and requirements on page 1 of this packet.
- Apply Either Online or on Paper.** We encourage you to submit your application electronically at [www.admit.indiana.edu](http://www.admit.indiana.edu). Our online application is secure and easy to use, and it gives you immediate confirmation that your application has been received.
- Pay Application Fee.** We require a nonrefundable application fee of \$55. If you apply online, you will pay the fee by credit card. If you apply on paper, you must submit a check or money order made payable to Indiana University. Attach the payment to the designated area of the application.
- Submit High School Transcript.** High school transcripts are required for applicants who have completed fewer than 26 semester hours (or 39 quarter hours) of college course work. Please ask your high school to send your official transcript directly to IU.
- Submit College Transcript(s).** We require an official transcript from each college or university you have attended. An official transcript is issued by the university and delivered to us in a sealed college/university envelope. Transcripts previously opened will not be accepted for review or transfer credit. Arrange for your official transcript(s) to be sent directly to IU at the time of application.
- Check Application Status.** You can go online to check your application status and to see if any of the required credentials are missing from your file. To check your application status, visit [onestart.iu.edu](http://onestart.iu.edu). Follow the instructions on how to log in to view the status of your application.

**Admission Decision.** *We practice rolling admissions, and each application is carefully reviewed by our admissions counselors. You can expect to hear from us six to eight weeks after we receive your completed application, fee, and transcript(s).*

## Transfer Application Priority Dates

November 1	Spring Semester
April 1	Summer Session I and Summer Session II
April 1	Fall Semester

## Equal Opportunity/Affirmative Action Policy

Indiana University pledges itself to continue its commitment to achievement of equal opportunity within the university and throughout American society as a whole. In this regard, Indiana University will recruit, hire, promote, educate, and provide services to persons based upon their individual qualifications. Indiana University prohibits discrimination based on arbitrary considerations of such characteristics as age, color, disability, ethnicity, gender, marital status, national origin, race, religion, sexual orientation, or veteran status.

## Accommodations for Students with Disabilities

Students who may need disability support services should visit the Office of Disability Services for Students Web site at [www.indiana.edu/~iubdss](http://www.indiana.edu/~iubdss), or phone (812) 855-7578.
