In the News

Marilyn Skinner worked with Christy Pruhiere of WFYI, Indianapolis TV station to write a grant and she has learned that they have received the grant "It's A Big Big World." The Early Childhood Learning Center will be recipient of the program which will be conducted at Carver Center and Garden Square Center some time this fall. The program includes: 3 science activity centers, a healthy snack center, a parent information program, and ends with a story time. I will keep you informed as Christy and I develop the programs.
