CHANGE OF NAME:

The Office of the Registrar maintains the official name and address for all students. Students whose names have been legally changed or require editing should file an Application for Change of Name form (Available in the Office of the Registrar). Legal documentation, such as a copy of your driver's license or social security card with your new name, or a copy of your marriage certificate, divorce decree, or other official court document, must accompany the application for Change of Name form.

RESIDENCY STATUS:

Because IU is a state-funded public university, in-state and out-of-state students pay different rates for tuition. The rules for determining residence are established by the Trustees of Indiana University and can be found at <http://www.iuk.edu/~koregstr/residency.shtml>. The initial determination of a student's residency status is made at the time of (re)admission. If a student is found to be a nonresident and wishes to appeal the decision, the student may complete an Application for Residency, found at <http://www.iuk.edu/~koregstr/pdf/residency.pdf>, and submit it to the Office of the Registrar, Kelly Center, Room 208.
