

IU-International Learning Workshop Registrant:

This e-mail is being sent to you as verification that you have successfully registered with the IU-International Learning Workshop, being held at IUPUI on Thursday, March 5th, 2009. Attached, you will find the final workshop schedule for your review and parking instructions. You may find a campus map available to download at the URL provided below. Please note that "CE" on the map here designates the "Campus Center." In order to successfully navigate parking at the IUPUI campus, you should take note of the following: non-IUPUI parking permit regulations require that individuals with parking permits from other IU campuses park in designated areas, except the garages, because the permits will not activate otherwise. "A" permits may park in "A", "B", and "E" areas. "B" permits may park in "B" and "E" lots. "C" permits may park in "E" lots only. If you do not currently possess an IU issued permit and desire more help, please feel free to contact Naomi Spector at nspector@indiana.edu with questions or concerns. IUPUI Campus Center is located at 420 University Blvd. Indianapolis, IN. 46202. Contact number: 317-274-7000. URL Campus Map: <http://www.indiana.edu/~ovpia/intlworkshop/CampusMap.pdf>

Registration begins at 8:30am, outside room 450B, in the IUPUI Campus Center. Continental breakfast will be provided at this time. We are very much looking forward to seeing you all!

Respectfully,

Naomi K. Spector, Center for the Study of Global Change, IU-Bloomington.
