

# FACULTY GRANTS

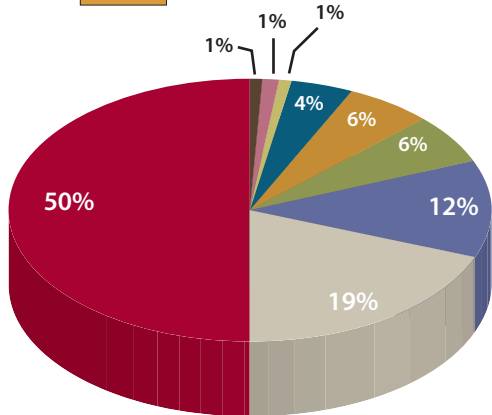

The OVPIA manages a number of grant programs that provide funding to IU faculty for travel abroad to attend international conferences, conduct research, or engage in course or professional development opportunities. Applications for the various programs are evaluated by faculty committees, and awards go to more than 125 faculty members each year.

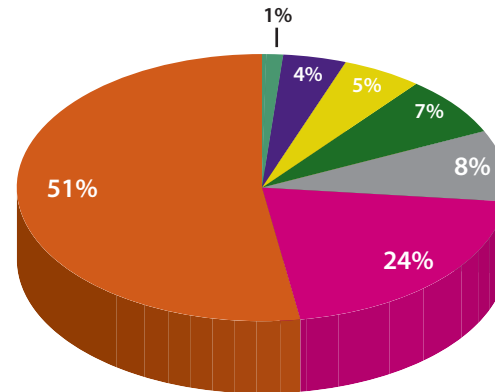

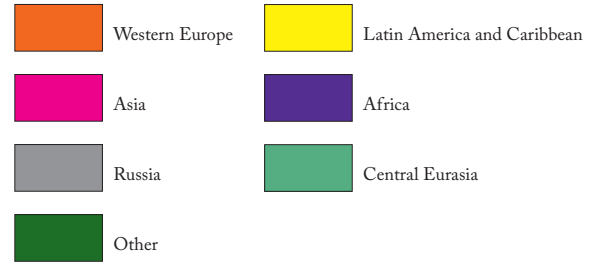

# OVERSEAS CONFERENCE FUND GRANTS, 2001-2006

Indiana University faculty members have been awarded Overseas Conference Fund Grants to attend international conferences abroad. In the past five years, 452 of these grants have been made.
