The Office of Student Financial Assistance is pleased that you are considering attending Indiana University. You'll be interested to know that IU continues to be rated as one of the "best values in public colleges" by Kiplinger's Personal Finance. To assist you with your educational expenses during the 2011-2012 academic year, we would like to provide the following estimate of your financial aid.

Anticipated Federal Work Study	1,500.00
Fed Stafford Subsidized Loan	3,500.00
Fed Stafford Unsubsidized Loan	2,000.00
IU Prestige Scholarship	4,000.00

Award Total: \$11,000.00

You may also access your financial aid account online using the "Self Service" tab located in IU's OneStart internet portal (www.onestart.iu.edu). Should your eligibility for financial aid change, any award adjustment will be reflected on your OneStart account. You will not receive another paper letter.

You may want to visit our **Freshman 101** website where you will find many helpful financial aid topics including a detailed description of most financial aid awards. Our website also outlines the affordability, value, and excellence of an IU education. The **Freshman 101** and **Affordability** information can be found on our homepage at www.indiana.edu/~sfa. If you are receiving awards that are not listed above, please visit the **Freshman 101** web page and report them using the "Report Other Awards" form.

If you are an Indiana resident student receiving a Frank O'Bannon Award from the State Student Aid Commission of Indiana (SSACI), please note that your award has been estimated based on prior year award levels. Once SSACI determines the award levels for the 2011-2012 academic year, any award adjustment will be reflected on your OneStart account.

We look forward to having you join Indiana University's tradition of excellence. If we may be of any service to you, please do not hesitate to contact us.

Sincerely,

Office of Student Financial Assistance
