

MATTHEW R. AUER

School of Public and Environmental Affairs
Indiana University, Bloomington, Indiana, 47405, USA
tel: 1 (812) 855-4944; fax: 1 (812) 855-7802; e-mail: mauer@indiana.edu

Education

Yale University (Ph.D., Forestry and Environmental Studies, 1996), New Haven, CT.

Fletcher School of Law and Diplomacy (MALD, 1990), Medford, MA.

Harvard University (AB, *magna cum laude*, Biological Anthropology, 1988), Cambridge, MA.

Academic Appointments

Dean, Hutton Honors College, Indiana University, Bloomington, IN (2008-).

Oversee a 4,200-strong student body. In cooperation with staff, administer operational and program budgets exceeding \$2.5 million and scholarship resources exceeding \$15 million. Recruit faculty who, cumulatively, teach 60 honors courses per semester in the honors college or in their home departments. Provide funding for more than 500 students to study abroad, annually. Oversee approximately 15 professional and support staff including admissions, academic advising, administration, community service, diversity affairs, extracurricular and enrichment programs, residential councils, student leadership, and study abroad.

Director, Undergraduate Programs, School of Public and Environmental Affairs, Indiana University, Bloomington, IN (2006-2008). Director of two undergraduate degree programs, eleven minor degrees, and six certificate programs. During tenure, applications to public affairs and public health degree program increased 33 percent; enrollment increased more than 25 percent. GPAs of entering students increased in 7 out of 8 majors. Created honors program which enrolled 70 students in 2008. Acquired base budgetary resources for study abroad program in South Korea.

Professor, School of Public and Environmental Affairs, Indiana University, Bloomington, IN (2006-).

Associate Professor, School of Public and Environmental Affairs, Indiana University, Bloomington, IN (2002-2006).

Assistant Professor, School of Public and Environmental Affairs, Indiana University, Bloomington, IN (1996-2002).

Visiting Scholar, Department of Forest Economics, Swedish University of Agricultural Sciences, Umeå, Sweden (1995).

Visiting Scholar, Stockholm School of Economics, Stockholm, Sweden (1994).

Courtesy Academic Appointments

Affiliated Faculty, Middle Eastern and Islamic Studies, Indiana University, Bloomington, IN (2007-).

Affiliated Faculty, Workshop on Political Theory and Policy Analysis, Indiana University, Bloomington, IN (1999-).

– courtesy academic appointments, continued –

Affiliated Faculty, Center for the Study of Global Change, Indiana University, Bloomington, IN (1999-).

Affiliated Faculty, Russian and East European Institute, Indiana University, Bloomington, IN (1998-).

Affiliated Faculty, West European Studies, Indiana University, Bloomington, IN (1998-).

Affiliated Faculty, Inner Asian and Uralic National Resource Center, Indiana University, Bloomington, IN (1997-).

Selected Appointments outside Indiana University

Editor-in-Chief, *Policy Sciences* (2005- ; Associate Editor, 2003-2004; Book Review Editor, 1999-2003).

Advisory Board Member, *Annual Editions: Environment*, Dushkin/McGraw-Hill, Co. (1999-).

Section Editor, *Journal of Policy Analysis and Management* (2004-2005).

Executive Committee Member, (elected post), Environmental Studies Section, International Studies Association (2000-2001).

Executive Council Member, (elected post), Society for the Policy Sciences (1998-).

Advisory Board Member, U.S. Marine Mammal Commission, (1997-2000).

Principal Investigator, Yale/Nanjing Energy Audit Project, Yale University (1994-1995).

Global Change Fellow, Battelle, Pacific Northwest Laboratories, (U.S. Department of Energy) (1993).

Presidential Management Intern, United States Agency for International Development (1990-1991).

Professional and Public Service

Chief of Party, United States Agency for International Development, Washington, D.C., (2009).

Led team of three consultants to advise Ministry of Ecology and Natural Resources of the Republic of Azerbaijan on measures to strengthen compliance and enforcement of laws and regulations governing air quality, water quality, solid waste, and oil-contaminated lands.

Senior Adviser, United States Forest Service, Washington, D.C., (2001-2006).

Appointed to the U.S. Government delegation to the United Nations Forum on Forests (UNFF) and the International Tropical Timber Council (ITTC). Negotiated politically-binding resolutions on economic aspects of forests and on forest health at UNFF. Co-developed Forest Service input to World Bank Forest Strategy. Participated in development of President's Initiative against Illegal Logging. Received commendation for outstanding service to the Forest Service in 2003.

– public service, continued –

Project Leader, Southeast European University, Macedonia (2006).

Organized and led three-day workshop on the revision of bachelor- and master-level degree programs in public administration. Workshop resulted in draft degree programs and development of two dozen new course syllabi.

Team Member, United States Forest Service, Washington, D.C., (2007-).

Advising the Forest Service on the use of private contracting in the execution of National Environmental Policy Act (NEPA) functions.

Panel Member, Department of Energy (2006).

Reviewed applications and selected awardees for USDOE's Global Change Education Program.

Accreditation Team Member, United Arab Emirates (2006).

Appraised bachelor of arts in public administration degree program at University of Sharjah for UAE Ministry of Education and Scientific Research.

Panelist, Oak Ridge Institute for Science and Education, Washington, D.C. (2006).

Participated on committee to select graduate and undergraduate awardees of Department of Energy-sponsored fellowships in global change research.

Panelist, National Science Foundation, Washington, D.C., (2003-2004).

Member of panel of auditors for Integrative Graduate Education and Research Traineeship grants.

Team Leader and Primary Author, Alliance to Save Energy, Washington, D.C., (2003).

Evaluated a \$4 million energy efficiency promotion project in Mexico.

Invited Expert, International Food Policy Research Institute, Washington, D.C. (2003).

Served as external reviewer of major research proposal entitled, "A Nutrition Policy Process."

Consultant, United States Agency for International Development, Washington, D.C., (2000).

Developed a program strategy for USAID's Office of Energy, Environment and Technology's Urban Pollution Management Team.

Consultant, Swedish International Development Cooperation Agency, Stockholm, Sweden (2000).

Advised Department of Evaluation and Internal Audit on uses of performance measurement systems to improve donor, contractor, and recipient performance in foreign aid programs and projects.

Invited Expert, Science Applications International Corporation, McLean, VA, (1998-2000; 2003).

Advised U.S. Deputy Undersecretary of Defense for Environmental Security on probable future energy and environmental security risks in Baltic Sea region, sub-Saharan Africa, China, the Indian subcontinent, and Southeast Asia.

Team Leader, United States Agency for International Development, Washington, D.C., (1998).

Led team of three experts to evaluate accomplishments and shortcomings of USAID's Environmental Pollution Prevention Project (EP3) in the Latin America/Caribbean region.

– public service, continued –

Consultant, United States Agency for International Development, Washington, D.C., (1994).

Developed strategy to synchronize multiple USAID urban environmental projects in Latin America and the Caribbean.

Consultant, Pacific Northwest Laboratories, U.S. Department of Energy, Washington, D.C., (1993).

Advised Advanced International Studies Unit on methods for forecasting energy supply and demand in Russia and Ukraine and evaluated alternatives for U.S. investment in the Russian oil and gas sectors.

Consultant, International City Management Association, Washington, D.C., (1993).

Performed an evaluation of a natural resource management strategy for USAID/Dominican Republic. Served as Washington-based technical consultant on USAID-sponsored study of urban impacts on natural resources in Tétouan, Morocco.

Selected Service for SPEA and Indiana University

Member, Energy Policy Faculty Search Committee (2009-10).

Member, Board of Advisors, Office of Sustainability (2009-).

Co-Chair (with Jeff Kaden), Energy and Built Environment Group, Office of Sustainability (2009-).

Chair, Dean of Students and Vice Provost of Student Affairs Search Committee (2008-2009).

Member, Sustainability Task Force Director Search Committee (2008-2009).

Member, International Affairs Faculty Search Committee (2008-2009).

Member, SPEA Associate Dean Search Committee (2008).

Member, SPEA IUPUI BSPA External Review Committee (2008).

Chair, Social and Historical Studies Subcommittee, General Education Committee, Bloomington Faculty Council (2007-2008).

Instructor, Hutton Honors College Extracurricular Program (2007).

Advisory Board, Center on American and Global Security (2007-).

Advisory Board, Anthropological Center for Training and Research (2007-).

Steering Committee, Indiana Democracy Consortium (2007-).

Chair, SPEA Undergraduate Curriculum Committee (2006- 2008; Member, 2004-2008).

Member, University Division Academic Advisory Board (2006-2008).

Member, Council on Student Affairs, Office of the Dean of Students (2006-2008).

– *school/university service, continued* –

Chair, SPEA Awards Committee (2006-2008; Member, 1999-2000; 2001-2002; 2004-2008).

Advisory Board Member, Wells Scholars Program (2006-).

Member, Bloomington Faculty Council General Education Committee (2006-).

Member, Bloomington Faculty Council Library Committee (2006-2007).

Member, SPEA Scheduling Committee (2005-2008).

Advisory Board Member, Indiana University EU Center of Excellence (2005-2008).

Member, Board of Advisors, Workshop in Political Theory and Policy Analysis (2005-).

Convener, SPEA International Affairs Faculty (2004-2005).

Member, SPEA Policy Committee (2001-2005).

Member, SPEA Budgetary Affairs Committee (2001-2005).

Faculty Adviser, Comparative and International Affairs Concentration (1999-2000; 2004-2006).

Member, IU President's Council on International Programs (1998-2002; 2003-).

Chair, SPEA Systemwide International Affairs Committee (1997-1999; Member, 1997-2003).

Chair, SPEA World Wide Web Committee (1997-1998; Member, 1996).

Faculty Adviser, SPEA Environmental Policy and Natural Resource Management (1996-2002).

Professional Societies

Society of American Foresters, (2004-).

Society for the Policy Sciences (Executive Council Member, 1998-; Society Member, 1996-).

Honors

Fellow, Academic Leadership Program, Committee on Institutional Cooperation (2007-2008).

“...designed to develop the leadership and managerial skills of faculty on CIC campuses who have demonstrated exceptional ability and administrative promise.”

Appointee, IU LeaD (2006). IU LeaD “provides a formal system for identifying...the next generation of both academic and administrative leaders at Indiana University.”

Nominee, Student Choice Award for Outstanding University Professors, IU Student Alumni Association, (2006). A “nomination by one or more students...for making a difference in the life and education of your students.”

– honors, continued –

President’s Award for Excellence in Teaching, (2005).

Indiana University Office of the President’s award for distinguished teaching.

Trustee Teaching Award, Indiana University, (2005).

“...awarded to six percent of the tenured and tenure-track faculty members (of each department and professional school) who have demonstrated that they are the best teachers.”

Nominee, Student Choice Award for Outstanding University Professors, IU Student Alumni Association, (2005).

Outstanding Instructor, Undergraduate Program, School of Public and Environmental Affairs, (2004).

In recognition of outstanding instruction in the non-core undergraduate curriculum of the School of Public and Environmental Affairs, Indiana University.

Nominee, Student Choice Award for Outstanding University Professors, IU Student Alumni Association, (2004).

Commendation, U.S. Forest Service, (2003).

In recognition of outstanding service to U.S. Forest Service International Programs.

Faculty Colloquium on Excellence in Teaching Award, (2002).

A competitive honor awarded by Indiana University in recognition of special distinction in teaching and demonstrated commitment to student learning.

Trustee Teaching Award, Indiana University, (2002).

Myres McDougal Prize, Society for the Policy Sciences, (2001).

For exemplary policy sciences research published in 2000 (awarded for “Who Participates in Global Environmental Governance? Partial Answers from International Relations Theory,” *Policy Sciences* 33(2): 155-180).

Trustee Teaching Award, Indiana University, (2001).

Outstanding Instructor, Undergraduate Program, School of Public and Environmental Affairs, (2001).

In recognition of outstanding instruction in the core undergraduate curriculum of the School of Public and Environmental Affairs, Indiana University.

Nominee, Student Choice Award for Outstanding University Professors, IU Student Alumni Association, (2001).

Indiana University Outstanding Junior Faculty Award, Indiana University, (2000). “...given to junior faculty members who show promise of achieving great distinction as scholars or artists.”

Nominee, Student Choice Award for Outstanding University Professors, IU Student Alumni Association, (1999).

Teaching Excellence Recognition Award, (1999).

For exemplary contributions to the teaching mission of SPEA and Indiana University.

– honors, continued –

Teaching Excellence Recognition Award, (1998).

Outstanding Instructor, Undergraduate Program, (1998).

Teaching Excellence Recognition Award, (1997).

Award of Excellence, (1995).

Prize for the best project funded by the Sasakawa Peace Foundation in 1994-1995. Project involved comparative energy audits of office and laboratory facilities in China and the United States.

Global Change Fellow, (1992-1995).

Awarded by the United States Department of Energy in cooperation with Oak Ridge Associated Universities for research on global environmental change.

Presidential Management Fellowship Program (1990-1991).

Managed urban environmental programs in the Office of Housing and Urban Programs, USAID.

Peer Review Services

Referee for: W.W. Norton & Co., Westview Press, McGraw Hill, Yale University Press, *International Politics*, *Journal of Policy Analysis and Management*, *Journal of Forestry*, *Policy Sciences*, *Environmental Politics*, *Journal of Environment and Development*, *Global Environmental Politics*, *Scandinavian Journal of Forest Research*, *International Journal of Learning*, Grawemeyer Award for Ideas Improving World Order; National Oceanic and Atmospheric Administration, U.S. Forest Service, U.S. Department of Energy, National Science Foundation, University of Minnesota Institute on the Environment.

Teaching Assignments

V472 Analyzing Public Policy

V450 Topics in Public Affairs: The Science of Public Sector Professionalism

V450 Topics in Public Affairs: Scholars in Global Citizenship

E162 (E100) Environment and People

E466 (E400/V450/V453) Comparative and International Environmental Policy

V360 (V263) Public Management

V449 Senior Policy Seminar

E535 (E555/V550/V710) International Environmental Policy

V520 Environmental Policy Analysis (executive education and undergraduate-level versions)

V685 Doctoral Research Seminar

V575 Comparative Public Administration (executive education)

Ostrom, Elinor, Gibson, Clark, Andersson, Krister, Shivakumar, Sujai, McGinnis, Mike, Gardner, Roy, Auer, Matthew R., Waller, Chris, and Esther Mawangi. 2000. “A Study of How Aid, Incentives, and Sustainability Are Related,” Report for the Swedish International Development Cooperation Agency.

Selected Invited Presentations, Panel Presentations, and Chair and Discussant Activities

Invited Speaker, “Saving Energy: What’s at Stake and Where You Fit in,” Green Revolution Conference. St. Louis, MO: Living Lands and Waters, September 21, 2009.

Invited Speaker, “Challenges and Opportunities for Forest Service Leaders and Staff: A ‘Futuring’ Exercise for Forest Service Region 3,” Washington, D.C.: USDA Forest Service International Programs, July 27, 2009.

Invited Speaker, “The New Cold War: Russian Ambition and Europe’s Energy Security,” Bloomington, IN: IU Mini-University, June 24, 2009.

Invited Speaker, “Global Climate Change Policymaking: Overview of an Extraordinary Multilateral Endeavor and US Strategy for Copenhagen Conference 2009,” Seoul, Korea: Center for International Studies, Seoul National University, June 19, 2009.

Invited Speaker, “Forest Service Regional Leadership Team,” Albuquerque: USDA Forest Service Southwest Forest Leadership Team Meeting, June 15, 2009.

Invited Speaker, “Energy Efficiency: Evaluating Outcomes,” The Search for Wise Energy Policy, Washington, D.C.: School of Public and Environmental Affairs, June 11, 2009.

– invited presentations, panel presentations, continued –

Invited Speaker, “Russian Gas through Ukraine: The Law and Politics of European Energy Insecurity,” Washington, D.C.: American University International Law Review Symposium: Russia and the Rule of Law: New Opportunities in Domestic and International Affairs, February 11, 2009.

Panelist, “Communication and Competition in Environmental Studies,” Policy Sciences Annual Institute, Boulder, CO: University of Colorado at Boulder, October 23-25, 2008.

Invited Speaker, “Congress and Climate Change,” Sungkyunkwan University, Graduate School of Governance, Seoul, Korea, July 29, 2008.

Invited Speaker, “Sustainability and Foreign Aid,” IU Center for the Study of Global Change, Bloomington, IN, July 18, 2008 (by Skype from Korea)

Keynote Speaker, “Policy Sciences for the Positively Trained,” Policy Sciences Annual Institute, Claremont, CA: Claremont McKenna College, October 25-27, 2007.

Invited Panelist, “Undergraduate Education and the Future of Public Administration,” 2007 National Association of Schools of Public Affairs and Administration (NASPAA) National Conference: Embracing the Certainty of Uncertainty, Seattle, WA, October 8-13, 2007.

Invited Panelist, “The Green Economy – Opportunity or Obligation?” A Panel Discussion on the Intersection of the Environment and Business, New York, NY: The New York City Chapter of the Kelley School of Business Alumni Association and Indiana University School of Public and Environmental Affairs, October 4, 2007.

Invited Speaker, “Petroleum Wealth or Petroleum Curse? How Oil and Natural Gas Development Affect Sustainable Development in Central Asia,” International Summer Studies Institute, Indiana University, Bloomington, IN, July 13, 2007.

Invited Speaker, “Urban Sprawl: A Universal Problem. New Urbanism: A Universal Solution,” Presentation to delegation of the National Institute of Development Administration, Indiana University, Bloomington, IN, May 29, 2007.

Invited Speaker, “How to Advance Sustainable Development: Prescribe More Aid, Demand Better Institutions (or Both)?” *Sustainability in an Unequal World*, Sponsored by the Japan Society for International Development and the University of Tokyo, November 24, 2006.

Invited Speaker, “USAID and the Problem of Perpetual Reorganization,” 17th Annual Conference of the Japan Society for International Development, November 25, 2007.

Presenter, “Climate Change and Congress: A New Wind in the Senate?” Policy Sciences Annual Institute, New Haven, CT: Yale University Law School, New Haven, CT, October 19-22, 2006.

Invited Speaker, “Katrina: Fact and Fiction,” Indiana Mini-University, Indiana University, Bloomington, IN, June 18-23, 2006.

Presenter, “Contexts, Multiple Methods, and Values in the Study of Common-Pool Resources,” Policy Sciences Annual Institute, New Haven, CT: Yale University Law School, New Haven, CT, October 20-23, 2005.

– invited presentations, panel presentations, continued –

Invited Panelist, “Institutional Dimensions of Corruption in the Romanian Forestry Sector,” Problems of Polycentric Governance in the Growing European Union, Berlin, Germany: Humboldt University, June 15-18, 2005.

Invited Panelist, “Global Climate Change: Effects on Natural and Human Systems,” L.K. Caldwell Symposium on Environmental Science and Policy: SPEA, Bloomington, IN, April 18th, 2005.

Invited Speaker, “Forest Diplomacy: It’s a Jungle Out There,” SPEA Global and Comparative Affairs Group, Bloomington, IN, November 10, 2004.

Presenter, “Policy Sciences in Critical Perspective,” Policy Sciences Annual Institute, New Haven, CT: Yale University Law School, New Haven, CT, October 14-17, 2004.

Invited Presenter, “Global Illegal Logging: What More Do We Need to Know?” Joint Meeting of the Society of American Foresters/Canadian International Forestry, Edmonton, Canada, October 4-8, 2004.

Invited Speaker, “European Environmental Policy,” The West European Studies Contemporary Issues Lecture Series, Bloomington, IN, April 19, 2004.

Invited Discussant, “The Role of Actor and Community Characteristics in the Adoption and Implementation of European Environmental Policy,” (paper by Nora Czar), Y673 Mini-Conference, Bloomington, IN, December 11-13, 2004.

Program Co-Director and Presenter, “The Craft of Advising,” Policy Sciences Annual Institute, Society for the Policy Sciences, Yale University, New Haven, CT, October 16-19, 2003.

Invited Moderator, “Alternative Financing Options for Forest Management and Conservation,” XII World Forestry Congress, Quebec City, Canada, September 21-27, 2003.

Invited Discussant, “Causes and Conflicts in Siting a Nuclear Waste Facility in Korea (Buan Case),” (paper by Hye Yun Park), Y673 Research in Institutional Analysis and Governance Seminar, Bloomington, IN, December 15, 2003.

Invited Presenter, “Five Senses and Experiential Learning,” Council for Environmental Stewardship, Bloomington, IN, November 20, 2003.

Invited Speaker, “What Can the U.S. and Japan Do to Save the Environment?” U.S.-Japan Leadership Program 2002, U.S. Japan Foundation, Seattle, Washington, August 11-18, 2002.

Program Co-Director and Presenter, “Commentary on Brunner’s and Willard’s ‘Professional Insecurities,’” Policy Sciences Annual Institute, Society for the Policy Sciences, Yale University, New Haven, CT, October 17-19, 2002.

Discussant, “Development NGOs, Civil Society, and Sustainability ,” by Julian C. Westerhout, Workshop in Political Theory and Policy Analysis, Indiana University, Bloomington, IN, April 27, 2002.

Presenter, “Using Criteria and Indicators Processes to Report on the Proposals for Action,” prepared for the International Expert Meeting on Monitoring, Assessment and Reporting on the Progress toward Sustainable Forest Management, Yokohama, Japan, November 5-8, 2001.

– invited presentations, panel presentations, continued –

Program Co-director and Presenter, “Myres S. McDougal Prize Speech: Who Participates in Global Environmental Governance: Partial Answers from International Relations Theory,” Policy Sciences Annual Institute, Society for the Policy Sciences, Yale University, New Haven, Connecticut, October 18-21, 2001.

“Foreign Aid and Foreign Direct Investment: Key Players in the Environmental Restoration of Central and Eastern Europe,” (co-authored paper with Rafael Reuveny) in Trade and the Environment in the Perspective of the EU Enlargement,” Fondazione Eni Enrico Mattei, European Commission, Environment Directorate-General. Milan, Italy, May 17-18, 2001.

Invited Speaker, “Geographical Determinants of International Environmental Affairs: Cases from the Baltic Sea Region,” Department of Geography Colloquium Series, Indiana University, Bloomington, Indiana, March 9, 2001.

Presenter, “Verifying Environmental Cleanup: Lessons from the Baltic Sea Joint Comprehensive Environmental Action Programme,” Forty-second Annual Convention of the International Studies Association, Chicago, IL February 20-24, 2001.

Presenter, “Policy Advising and Policy Sciences,” Policy Sciences Annual Institute, Society for the Policy Sciences, Yale University, New Haven, Connecticut, October 27-29, 2000.

Invited Speaker, “The Science-Policy Interface: Comparing the Stratospheric Ozone and Global Climate Change Problem Contexts,” Global Change Education Program, Oak Ridge Institute for Science and Education, Oak Ridge, Tennessee, August 22-24, 2000.

Presenter, “Conventional Constructs: Alternatives to Lasswell’s Developmental Constructs on Scientific Leadership,” Workshop on Scientific Leadership, Society for the Policy Sciences,” University of Colorado at Boulder, Boulder, Colorado, July 7-9, 2000.

Invited Speaker, “Program Performance Measurement Systems: the USAID Experience,” Swedish International Development Cooperation Agency, June 22, 2000.

Discussant, “Panel: Information Requirements for Managing Global Commons,” Eight Biennial Conference of the International Association for the Study of Common Property, Indiana University, Bloomington, Indiana, May 31-June 4, 2000.

Presenter, “Explaining Environmental Cleanup in Estonia,” Forty-first Annual Convention of the International Studies Association, Washington, D.C., March 14-18, 2000.

Presenter, “Who Participates in Global Environmental Governance?” Workshop in Political Theory and Policy Analysis, Indiana University, Bloomington, Indiana, January 31, 2000.

Co-Coordinator (with Eve Nilenders) and Presenter, Workshop on Instructional Uses of GIS, Department of Psychology, Indiana University, Bloomington, Indiana, November 17, 1999.

Discussant, “Continuing Education Panel/Learning the Policy Sciences,” Policy Sciences Annual Institute, Society for the Policy Sciences, Yale University, New Haven, Connecticut, October 22-24, 1999.

– invited presentations, panel presentations, continued –

Invited Speaker, “Foreign Aid as an Instrument of Sustainable Development,” Eckerd College Guest Lecture Series, Eckerd College, St. Petersburg, Florida, September 27, 1999.

Invited Discussant, “Beyond Reciprocity: Governance and Cooperation in the Caspian Sea,” Environmental Change and Security Project, the Woodrow Wilson Center, Washington, D.C., February 21-22, 1999.

Presenter, “Rescaling Global Environmental Affairs,” Fortieth Annual Convention of the International Studies Association, Washington, D.C., February 16-20, 1999.

Presenter, “Environmental Liability and Environmental Quality in the Transitional Economies,” Fortieth Annual Convention of the International Studies Association, Washington, D.C., February 16-20, 1999. Co-presenter with Rafael Reuveny.

Presenter, “Non-state Actors and Their Impact and Non-impact on Global Environmental Affairs,” Policy Sciences Annual Institute, Society for the Policy Sciences, Yale University, New Haven, Connecticut, October 2-4, 1998.

Presenter, “Environmentalism and Estonia's Independence Movement,” Sixteenth Conference on Baltic Studies, Association for the Advancement of Baltic Studies, Indiana University, Bloomington, Indiana, June 19-21, 1998.

Presenter, “Ethnic Tension and Environmental Conflict in Estonia,” Inner Asian and Uralic National Resource Center Colloquium, Indiana University, Bloomington, Indiana, April 6, 1998.

Presenter, “Women, the Environment, and Development Assistance,” Thirty-ninth Annual Convention of the International Studies Association, Minneapolis, Minnesota, March 17-21, 1998.

Presenter, “Managing Imperfect Data: A Study of Development Assistance for Women and the Environment,” Workshop in Management and Policy Analysis, School of Public and Environmental Affairs, Indiana University, Bloomington, Indiana, February 20, 1998.

Invited Speaker, “The Climate Change Treaty: Implications for American Business after Kyoto,” Kelly School of Business 1998 Panel Discussion, Kelly School of Business, Indiana University, Bloomington, Indiana, January 23, 1998.

Presenter, “Reinventing Foreign Aid,” International Studies Association/Midwest Annual Meeting, Cleveland, Ohio, October 3-5, 1997.

Presenter, “Embattled Administrators: the Domestic Political Environment of Foreign Aid Agencies,” Policy Sciences Annual Institute, Society for the Policy Sciences, New Haven, Connecticut, October 24-16, 1997.

Invited Speaker, “Human Habitation and Environmental Change in the Northern Hardwood Forest,” The North Pacific Summer Seminar, Tufts University, Annisquam, Massachusetts, May 18-25, 1997.

Invited Speaker, “Environmental Threats to Sustainability: the Role of Rapid Population Growth,” Monthly Address on World Affairs, Indiana Council on World Affairs, Indianapolis, Indiana, March 19, 1997.

Other Conference Activities

Invited Discussant, "International Humanitarian Aid: Piecing Together the Coordination Puzzle," (paper by Janice Duchene), Y673 Mini-Conference, Bloomington, IN, December 16, 2009.

Invited Speaker, "Copenhagen: What to Watch for," Student Foreign Policy Initiative, Indiana University, Bloomington, IN, November 13, 2009.

Workshop Co-presentation (with Ray Clere), "From Campus to Career: Making the Transition from Student to Young Professional," Hudson & Holland Scholars Program: First Annual LEAD Conference, Boulder, CO, November 7, 2009.

Invited Speaker, Energy Policy/Climate Change Workshop. Wells Scholars/Hutton Honors College, Bloomington, IN, October 31, 2009.

Invited Panelist, "Teaching the Policy Sciences to Undergraduates," Policy Sciences Annual Institute, Boulder, CO, October 23-25, 2009.

Invited Panelist, "Green Building in Indiana," Indiana State Energy Policy: Progress and Prospects for Legislation, Indianapolis, IN, April 9, 2009.

Invited Panelist, "Environmental Awareness in Azerbaijan," Azerbaijan American Alumni Association, Baku, Azerbaijan, March 12, 2009.

Invited Panelist, "Becoming an Academic: Challenges and Opportunities," 14th Annual Preparing Future Faculty Graduate Student Conference, Indiana University, Bloomington, IN, February 20, 2009.

Invited Discussant, Comment on 'Capitalist Investment and Political Liberalization,' by Dr. Roger Myerson, Department of Economics, Conference on Sustainable Democracy, Indiana University, Bloomington, IN January 30, 2009.

Moderator, Green Building in Chicago, IU Kelley Alumni Association Lunch Panel, Chicago, IL, October 16, 2008.

Discussion Leader, Civil Society and Governance Panel, Indiana Democracy Consortium, Indiana University, Bloomington, IN, June 28-30, 2007.

Chair, Parks and Studying the Environment Panel, 2004 SPEA Young Researcher's Conference, Bloomington, IN, April 2, 2004.

Chair, "Implementation and Enforcement of International Environmental Policies," panel of the Forty-second Annual Convention of the International Studies Association, Chicago, IL February 20-24, 2001.

Chair and Presenter, "International Studies and Academic and Non-Academic Careers," panel of the Forty-second Annual Convention of the International Studies Association, Chicago, IL February 20-24, 2001.

Co-chair and Presenter, "Career Advice for Aspiring Policy Scientists," Annual Institute of the Society for the Policy Sciences, Yale University, New Haven, CT, October 22-24, 1999.

– other conference activities, continued –

Chair (multiple panels), Eight Biennial Conference of the International Association for the Study of Common Property, Indiana University, Bloomington, Indiana, May 31-June 4, 2000.

Chair, “Lessons Learned from Ten Years of Environmental Reform in Central and Eastern Europe,” panel of the Forty-first Annual Convention of the International Studies Association, Washington, D.C., March 14-18, 2000.

Chair and Discussant, “Teaching and Learning the Policy Sciences,” panel of the Policy Sciences Annual Institute, Society for the Policy Sciences, Yale University, New Haven, Connecticut, October 22-24, 1999.

Invited Moderator, “Post-Soviet Economic Issues,” panel of the Sixth Annual Central Eurasian Studies Conference, Association of Central Eurasian Students and Inner Asian and Uralic National Resource Center, Indiana University, March 27, 1999.

Chair, “Aid, Development, and the Global Context,” panel of the Workshop on the Workshop 2: Workshop in Political Theory and Policy Analysis, Indiana University, June 9-13, 1999.

Chair, “Environmentalism and Independence Movements in the Baltic States,” panel of the Sixteenth Conference on Baltic Studies, Association for the Advancement of Baltic Studies, Indiana University, Bloomington, Indiana, June 19-21, 1998.

Invited Moderator, “Environmental Law and Economic Instruments,” panel of the conference on Environmental Protection in Poland and the Region, Polish Studies Center and the School of Public and Environmental Affairs, Indiana University, Bloomington, Indiana, March 31-April 2, 1996.

Invited Moderator, “Management of International Rivers,” panel of the conference on Water: a Trigger for Conflict/a Reason for Cooperation,” International Water Resources and the Indiana Center on Global Change and World Peace, Indiana University, Bloomington, Indiana, March 7-10, 1996.

Fundraising, Research Grants, Contracts, and Fellowships

Indiana University, 2007-2010. \$75,000 from IU Office of the President for Scholars in Global Citizenship Program. Program promotes study of the effects of globalization on rapidly industrializing countries with study abroad component for academically talented undergraduates from IUB and IUPUI. Grant is replenished, annually.

Indiana University College Arts and Humanities Institute, 2009. (with Anya Royce, PI). \$5,000 for SustainabiliTEA: An Interactive Dance and Tea on Sustainability.

Indiana University Parents Fund, 2009. \$9,635 for development of the Hutton Honors College library collection.

USAID/World Learning. 2009. \$64,365 research/service project entitled, “Environmental Policy/Institutional Reform Assessment for the Ministry of Ecology and Natural Resources of the Republic of Azerbaijan” with Kenneth Richards and Jack Wittman. Auer was PI.

Indiana University, 2008-2009. In collaboration with Indiana University Foundation, raised \$61,530 in gifts under \$10,000 – a more than \$54,000 increase than in 2007-2008.

Yonsei University, 2007-2009. \$20,000 from Yonsei University’s Office of International Affairs for Scholars in Global Citizenship Program.

U.S. Forest Service, 2006-2007. \$49,000 research/service project entitled, “Comparative Analysis of NEPA Process, Organization, and Personnel” with Kenneth Richards (PI), Burnell Fischer, and Christian Freitag.

U.S. Forest Service, 2006-2007. \$76,754 research/service project entitled, “New Institutional Economic Analysis of the Forest Service NEPA Responsibilities,” with Kenneth Richards (PI), Burnell Fischer, and Christian Freitag.

U.S. Forest Service, 2001-2005. \$153,000 cooperative agreement to explore alternative negotiation strategies for the U.S. government delegation to the United Nations Forum on Forests, the International Tropical Timber Organization, and other intergovernmental forestry negotiating fora.

Open Society-Budapest, 2003. \$3,000 for project entitled, “Environmental Performance in Poland and Local Representatives’ Perceptions of Civic Action.”

Indiana University. 2003. \$1,500 for instructional learning project entitled, “Developing a Simulation of Global Greenhouse Gas Emission Negotiations,” Campus Instructional Consulting Active Learning Grant. Co-author: Derek Kauneckis.

– *grants, contracts, and fellowships, continued* –

Indiana University Inner Asian and Uralic National Resource Center and Russian and East European Institute, 2001. \$200 to present research on Baltic Sea environmental cooperation at the 2001 Annual Meeting of the International Studies Association.

Indiana University Outstanding Junior Faculty Award, 2000-2001. \$6,500 for summer salary; \$2,000 grant-in-aid of research; \$4,000 academic release or grant-in-aid of research.

National Research Council, 1999. \$4,000 for project entitled, “Perceptions of the Roles of Environmental Scientists in Estonia’s Democratic Transition.”

Indiana University Inner Asian and Uralic National Resource Center, 1999. \$1,500 for developing workshop materials on learning/using Geographic Information Systems (ARCVIEW) in the classroom.

National Research Council, 1998. \$2,200 for collaborative research project (with the Estonian Academy of Sciences) on comparative risk assessment and military base remediation in Estonia.

Indiana University President’s Council on International Programs and Indiana University Inner Asian and Uralic National Resource Center, 1998-1999. \$500 for research on environmental risk assessment in Estonia.

Indiana University Inner Asian and Uralic National Resource Center, 1999. \$400 for research on environmental risk assessment in Estonia.

Indiana Campus Compact, 1997. \$1,500 for incorporating a public service component into an undergraduate course entitled, “Public Management.”

U.S. Department of Energy, 1992, 1993, 1994, 1995. Graduate Fellowship for Global Change grantee. \$16,400 grant/year to investigate environmental regulations and environmental performance of manufacturing industries in the Nordic countries.

Yale University, 1995. John F. Enders Research Grantee. \$2,000 grant in support of doctoral research for students in the Graduate School of Arts and Sciences.

Sasakawa Peace Foundation, 1994-1995. Sasakawa Joint Research-Exchange Program Grantee. \$4,000 grant to support China/U.S. energy efficiency project.

U.S. Department of Agriculture Research and Science Exchange Division, 1993-1994. \$20,000 grant for watershed management project between Yale University and the Lithuanian Agricultural Academy.

Smith Richardson Foundation, 1993. \$3,000 awarded for research on the historical roots of contemporary subnational conflict in the Baltic States.
