

University Club Board Notes – August 2010

Our regular board meeting was held on Friday, August 13, 2010. We are looking forward to the University Women's Club Fall Program, September 9, 2010 at the First United Methodist Church. Remember, that wonderful musician Dominic Spera will be there for your entertainment. Please try to get your reservation in early! Also the University Club has just about completed plans for our fall "Welcome Reception" for all members on September 21 in our President's Room. Club Manager Barb is taking reservations for all events at the University Club office. You can telephone her at 812 855 1325; Fax her at 812 856 4283; or, e-mail at uclub@indiana.edu. Most days Barb is in from 9 until 3. Feel

free to stop by your Club's office. Our News Letter will be out in another week or so. Another exciting thing – Kate Kroll brought samples of carpeting to the meeting. We are considering getting new carpet for the upstairs Faculty Room. A new television has already been placed in the Faculty Room Library.

We had excellent feed back on the "Jazz In July" event. It seems like everyone enjoyed attending. It is our hope and plan for all of our upcoming events to be fun. Please mark your calendar as you are notified of the event and plan on bringing at least one guest. The more the merrier. We would like to add many new friends and neighbors this year, and every year. Don't forget – invite a friend or two. They will love it. See everyone soon.

The next board meeting will be held on September 10, 2010.
